Dannika Daisy

**Elite's very own
mermaid returns**

Hey Dannika! Welcome to Elite, tell us a bit about yourself: Hey! Well I'm a newly certified Suicide Girl... I've always got coloured hair and always smiling. I love my dogs, family and best friends more than anything in the world. Am I a bad girl who does good things or a good girl who does bad things?!

What was it like to work with Tripodski on this shoot? It's always fun working with Tripodski. Especially on location as we had lots of fun trying to get a good shot outside on the balcony with all the wind! He's great to work with.

What was your favourite part of the shoot? As silly as it sounds; meeting the other girls who shot that day too and then playing charades with the team and making an utter nonsense of myself.

What's your favourite item of clothing? I have a very old jumper that once belonged to my sister, Ellise. Now I wear it at least 3 times a week. My best friend Danielle has a go at me for wearing it which makes it even more thrilling to break the rules. It's grey and oversized so I can wear it with jeans, over my nighty and of course with nothing else on.

Why modelling? It's fun, exciting and passionate. Most people I meet in the industry are passionate about what they do. For example; when a photographer gets really excited about lighting. I love that! I love to embrace my confidence when in front of the camera, I want to inspire other girls that it's okay to not fit in. To you, you do and that's what matters.

Photographer: Tripodski

Photographer: Tripodski

WHAT'S A GUARANTEED TURN ON FOR YOU? CONFIDENCE AND HUMOUR! A MAN WHO IS CONFIDENT ABOUT WHAT THEY WANT AND PUTS THEMSELVES OUT THERE FOR IT WHILST MAKING A JOKE AS THEY GO.

**PLAYER 1 GOT GAME
PANTS £12.00**

**ORIGINAL PLAYER 1
CROP TOP £25.00**

How did you come to become a model? Well, funny story I guess; I was on Take Me Out a few years ago. Where I met some amazing girls, (and visited Fernandos) but I got a few offers to model after the show. I had done a little bit of work previously but now I take it more seriously and I love it. I like to say yes to opportunities I have a good feeling about. Why not!?

What's your favourite song currently? I love The Weekend, I can't feel my face. That's the type of love and attraction people need... to the point they can't feel their face.

If you could be any animal, what would you be? A peacock, each feather on a peacock is different... each peacock is different to the other.

Describe your perfect photoshoot. Each photo shoot is unique in its own way so I can't list what the most perfect would be... I love doing something different so each one is perfect in their own way.

If you could work with any photographer and any model who would it be with? Matthew Comer - Photographer. His work is amazing, quirky and stunning. I would love to portray the youth culture is sets free with his style of work. In a motel, wearing pinks of course.

Stephen James - Model. For obvious reasons; his body is beautiful and I love his edgy but elegant look.

What do you like most about Elite? The editor. Simple.

Lisha Blackhurst

She's back and at her Creepy best!

Photographer: James Beddoes

Hey Lisha! Welcome back to Elite, what was it like to work with James on this shoot? Amazing! He is so talented and I am looking forward to working with him again in September!

What was your favourite part of the shoot? It was one of those shoots that was very relaxed from the get go, so I loved every minute of it!

What's your favourite item of clothing? I have a beautiful red latex dress that Catalyst Clothing gave me as a gift! I haven't managed to shoot in yet, but it is beautiful!

Why modelling? Being in the alt scene, you get to toy with the mainstream's idea of what is beautiful! I get to be myself!

How did you come to become a model? I think the rise of social media means the opportunity is open to a lot more girls now! I was very lucky to work with some amazing photographers and build up my portfolio.

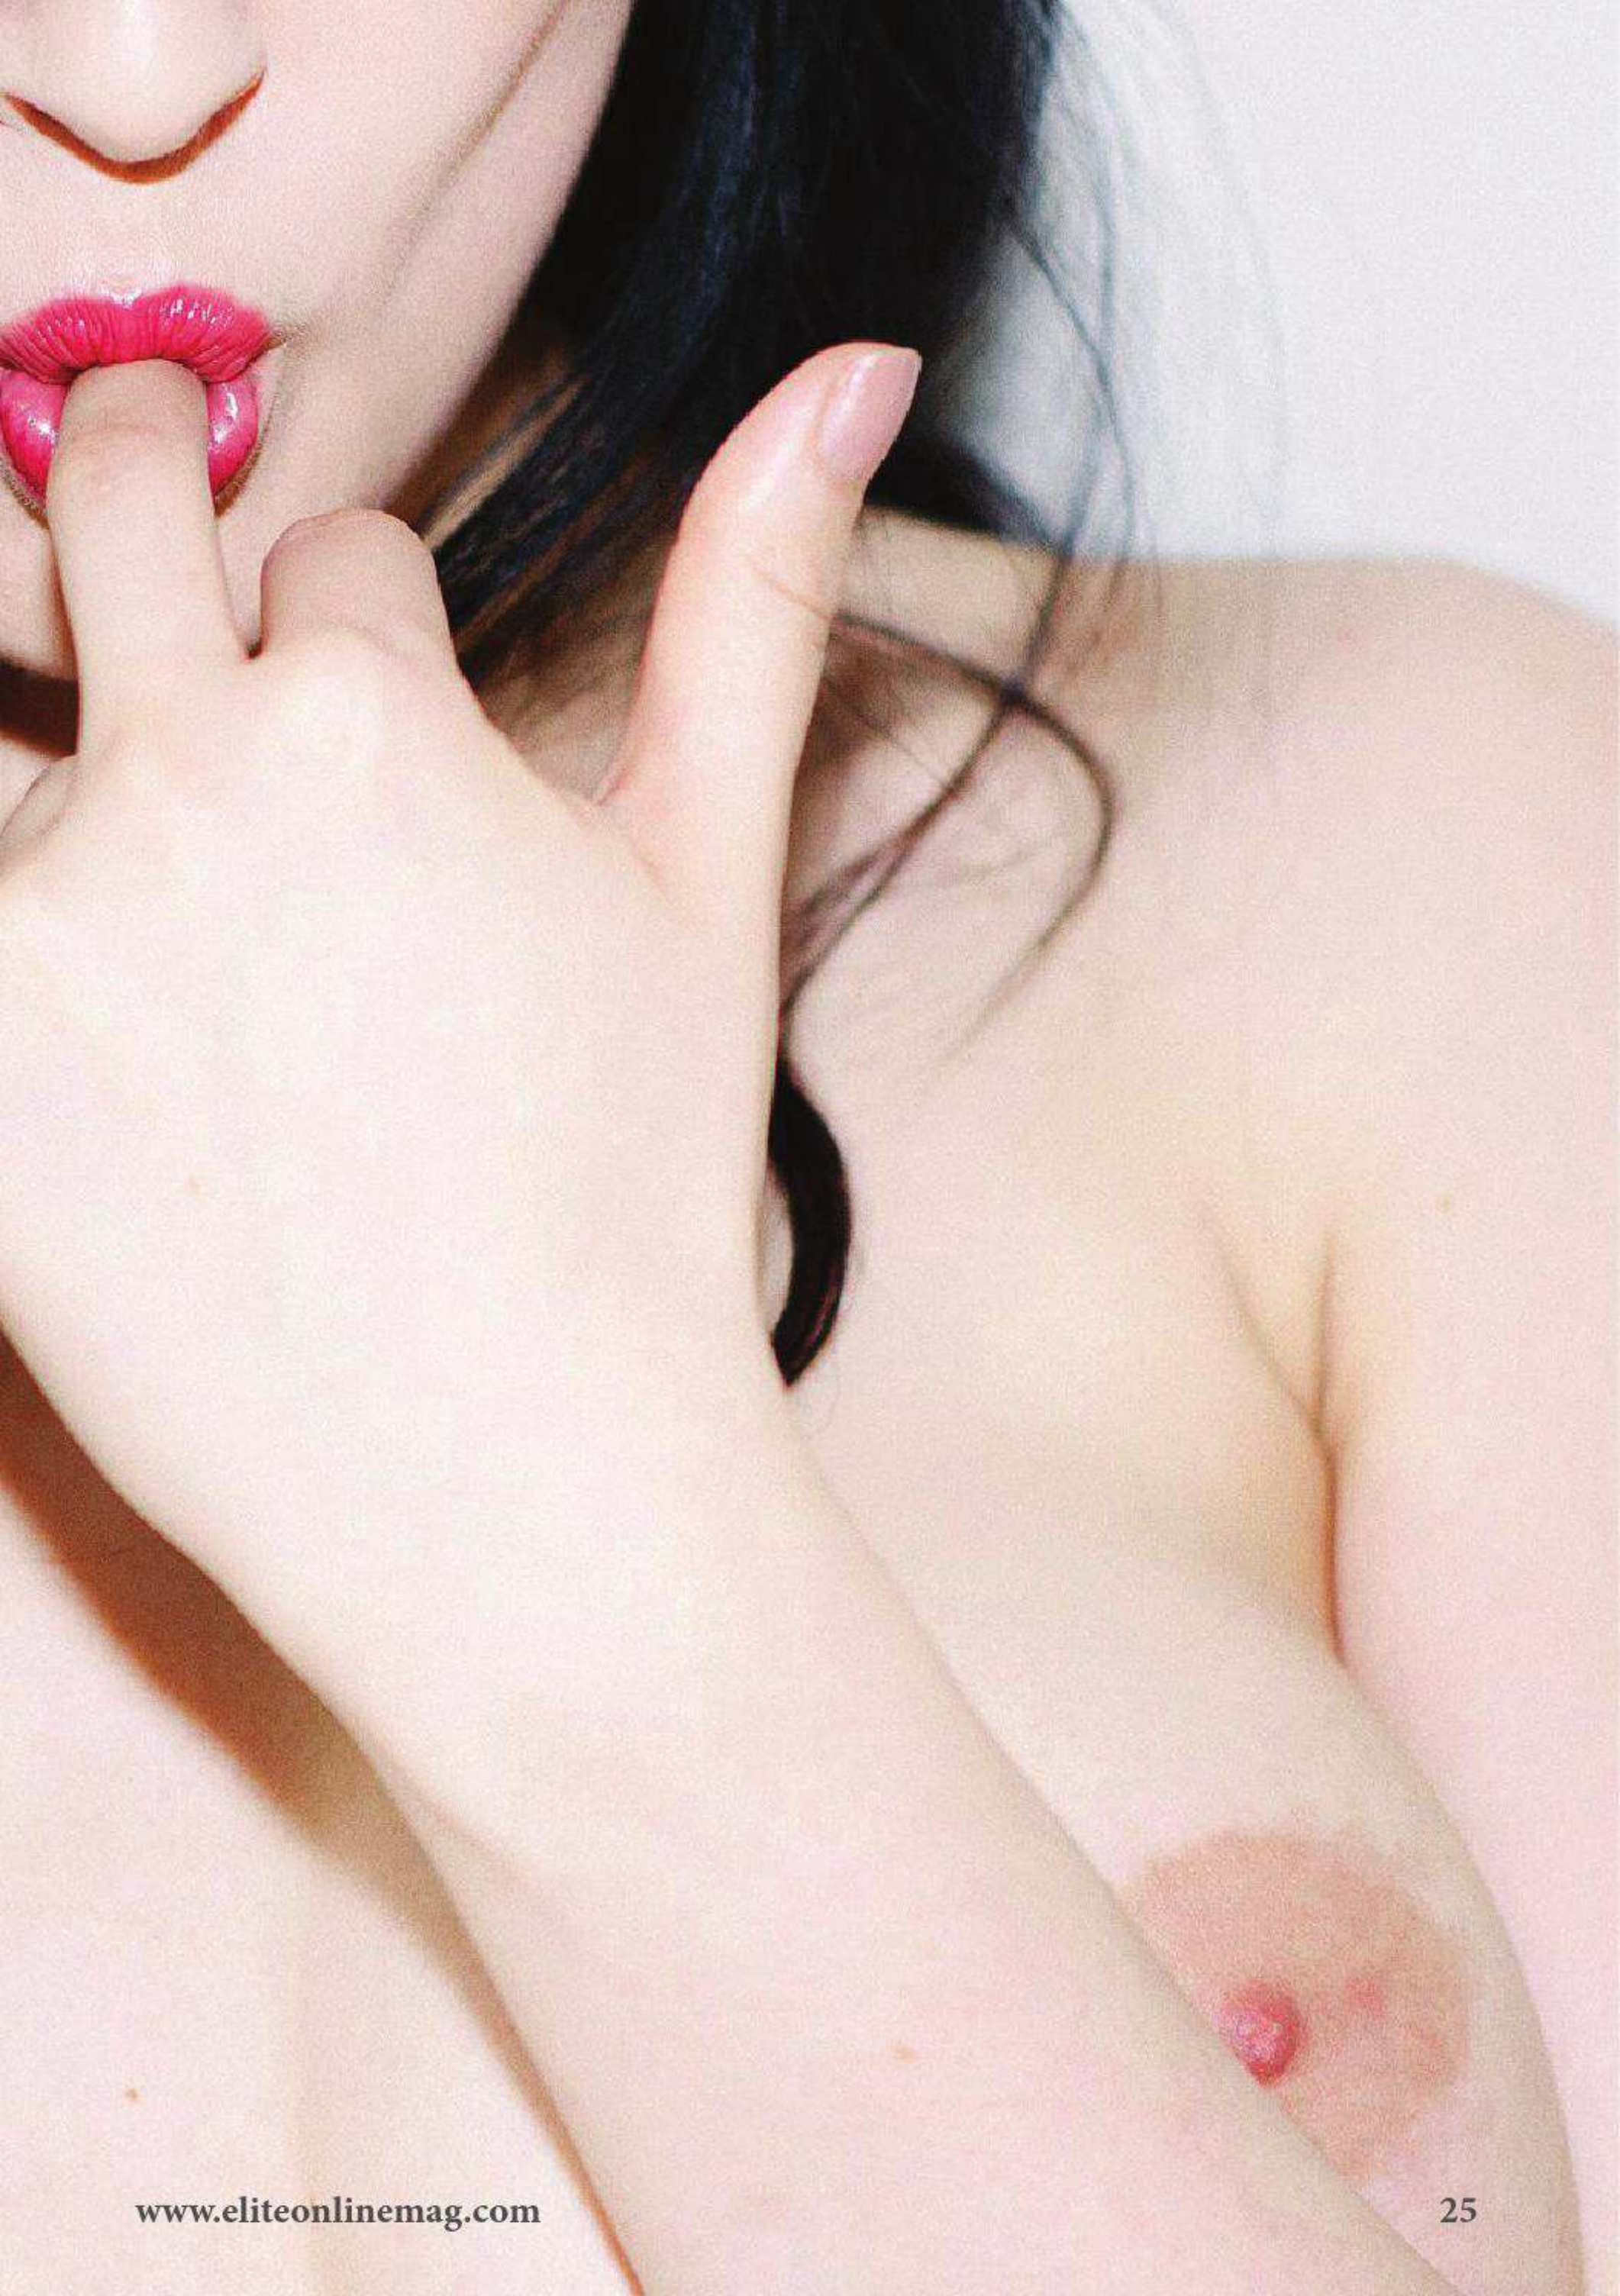

**WHAT'S YOUR
FAVOURITE PART OF
YOUR BODY AND WHY?
I CHANGE MY MIND
EVERY TIME I GET
ASKED THIS! THIS TIME
I THINK I WILL SAY

and Beat to my Melody by Lena!

**If you could be any animal, what
would you be?** My favourite animal is a
deer, they are so graceful and intelligent!

What's a guaranteed turn on for you?
Currently my boyfriend is cleaning the
kitchen, that is doing it for me ;) haha.

KAWAII KESHIA

Photographer: Jack Russell

Hey Keshia! Welcome to Elite, tell us a bit about yourself: Hi! I'm Keshia. I've recently started my dream job in Newcastle's first CAT CAFE! I love anything Japanese, I love cats and love pizza <3

What was it like to work with Jack on this shoot? It was great to work with someone new and somebody I was dying to work with! His work is so good.

What was your favourite part of the shoot? Well he has this cat called Jesus-Pheonix and she was in heat and so rubbing herself on me and flirting, it was hilarious!

What's your favourite part of your body and why? I've gotta say my BOOBS!

What's your favourite item of clothing? I don't wear clothing...

Photographer: Jack Russell

IF YOU COULD BE ANY ANIMAL, WHAT WOULD YOU BE? I THINK MY JOB DESCRIPTION PRETTY MUCH ANSWERS THIS! MAYBE I'D BE A REALLY Hardcore CAT THOUGH LIKE A TIGER!

Photographer: Jack Russell

**DESCRIBE YOUR PERFECT PHOTOSHOOT. MY
PERFECT PHOTOSHOOT HAPPENS EVERY TIME I'M

Photographer: Jack Russell

**WHAT'S A GUARANTEED
TURN ON FOR YOU?
THE WHOLE CLICHE I'M
AFRAID, TATTOOS AND
BEARDS. AND GENUINE,
NICE, CONSIDERATE GUYS!**

Photographer: Jack Russell

Why modelling? A lot of people told me I'd be good at it and should go for it, so I thought why not give it a go! It seems to be working pretty well!

How did you come to become a model? Just with the support of others kind of pushing me to do it as they knew I could. I remember first showing my mam I was in a magazine, I don't think I'll ever forget that moment!

What's your favourite song currently? I'm loving Bring Me The Horizon's new stuff - Throne and Happy Song.

If you could work with any photographer and any model who would it be with? I really need to meet Lucerne suicide I think! An ultimate goal would be to work with Van Styles, I love his style with girls and the whole skate scene. I feel like I've worked with some amazing photographers in the 3 years I've modelled though.

What do you like most about Elite? I like the variety of the different types of girls and seeing which babes I can stalk next on Instagram.

Chayse Black

Once you go black, you don't go back!

Photographer: Chris Beasley

Photographer: Chris Beasley

Hey Chayse! Welcome to Elite, tell us a bit about yourself: Thanks for having me! There's not much to tell really. Contemporary applied artist by day, internet naked person and sexual deviant by night.

What was it like to work with Chris on this shoot? Chris was great to work with. Glad I finally got the chance to shoot with him!

What was your favourite part of the shoot? Elite HQ's most fearsome guard dog Lilly! (Big softy really). I love dogs.

What's your favourite part of your body and why? I'm quite grateful for my body in general really. Hands are awesome though so I'd have to say my favourite part is my hands, purely for how useful they are.

What's your favourite item of clothing? Fluffy dressing gown, fluffy slipper socks. (You, give me warm, give me soft.)

How did you come to become a model? Well I guess it all started the first time I went through the second grade. I caught my reflection in a spoon while I was eating my cereal, and I remember thinking "wow, you're ridiculously good looking, maybe you could do that for a career"... No not really. I just sort of fell into it. And then fell out of it a few years later.

Photographer: Chris Beasley

What's your favourite song currently? I couldn't possibly choose just the one. I love music; my favourites are entirely mood dependant.

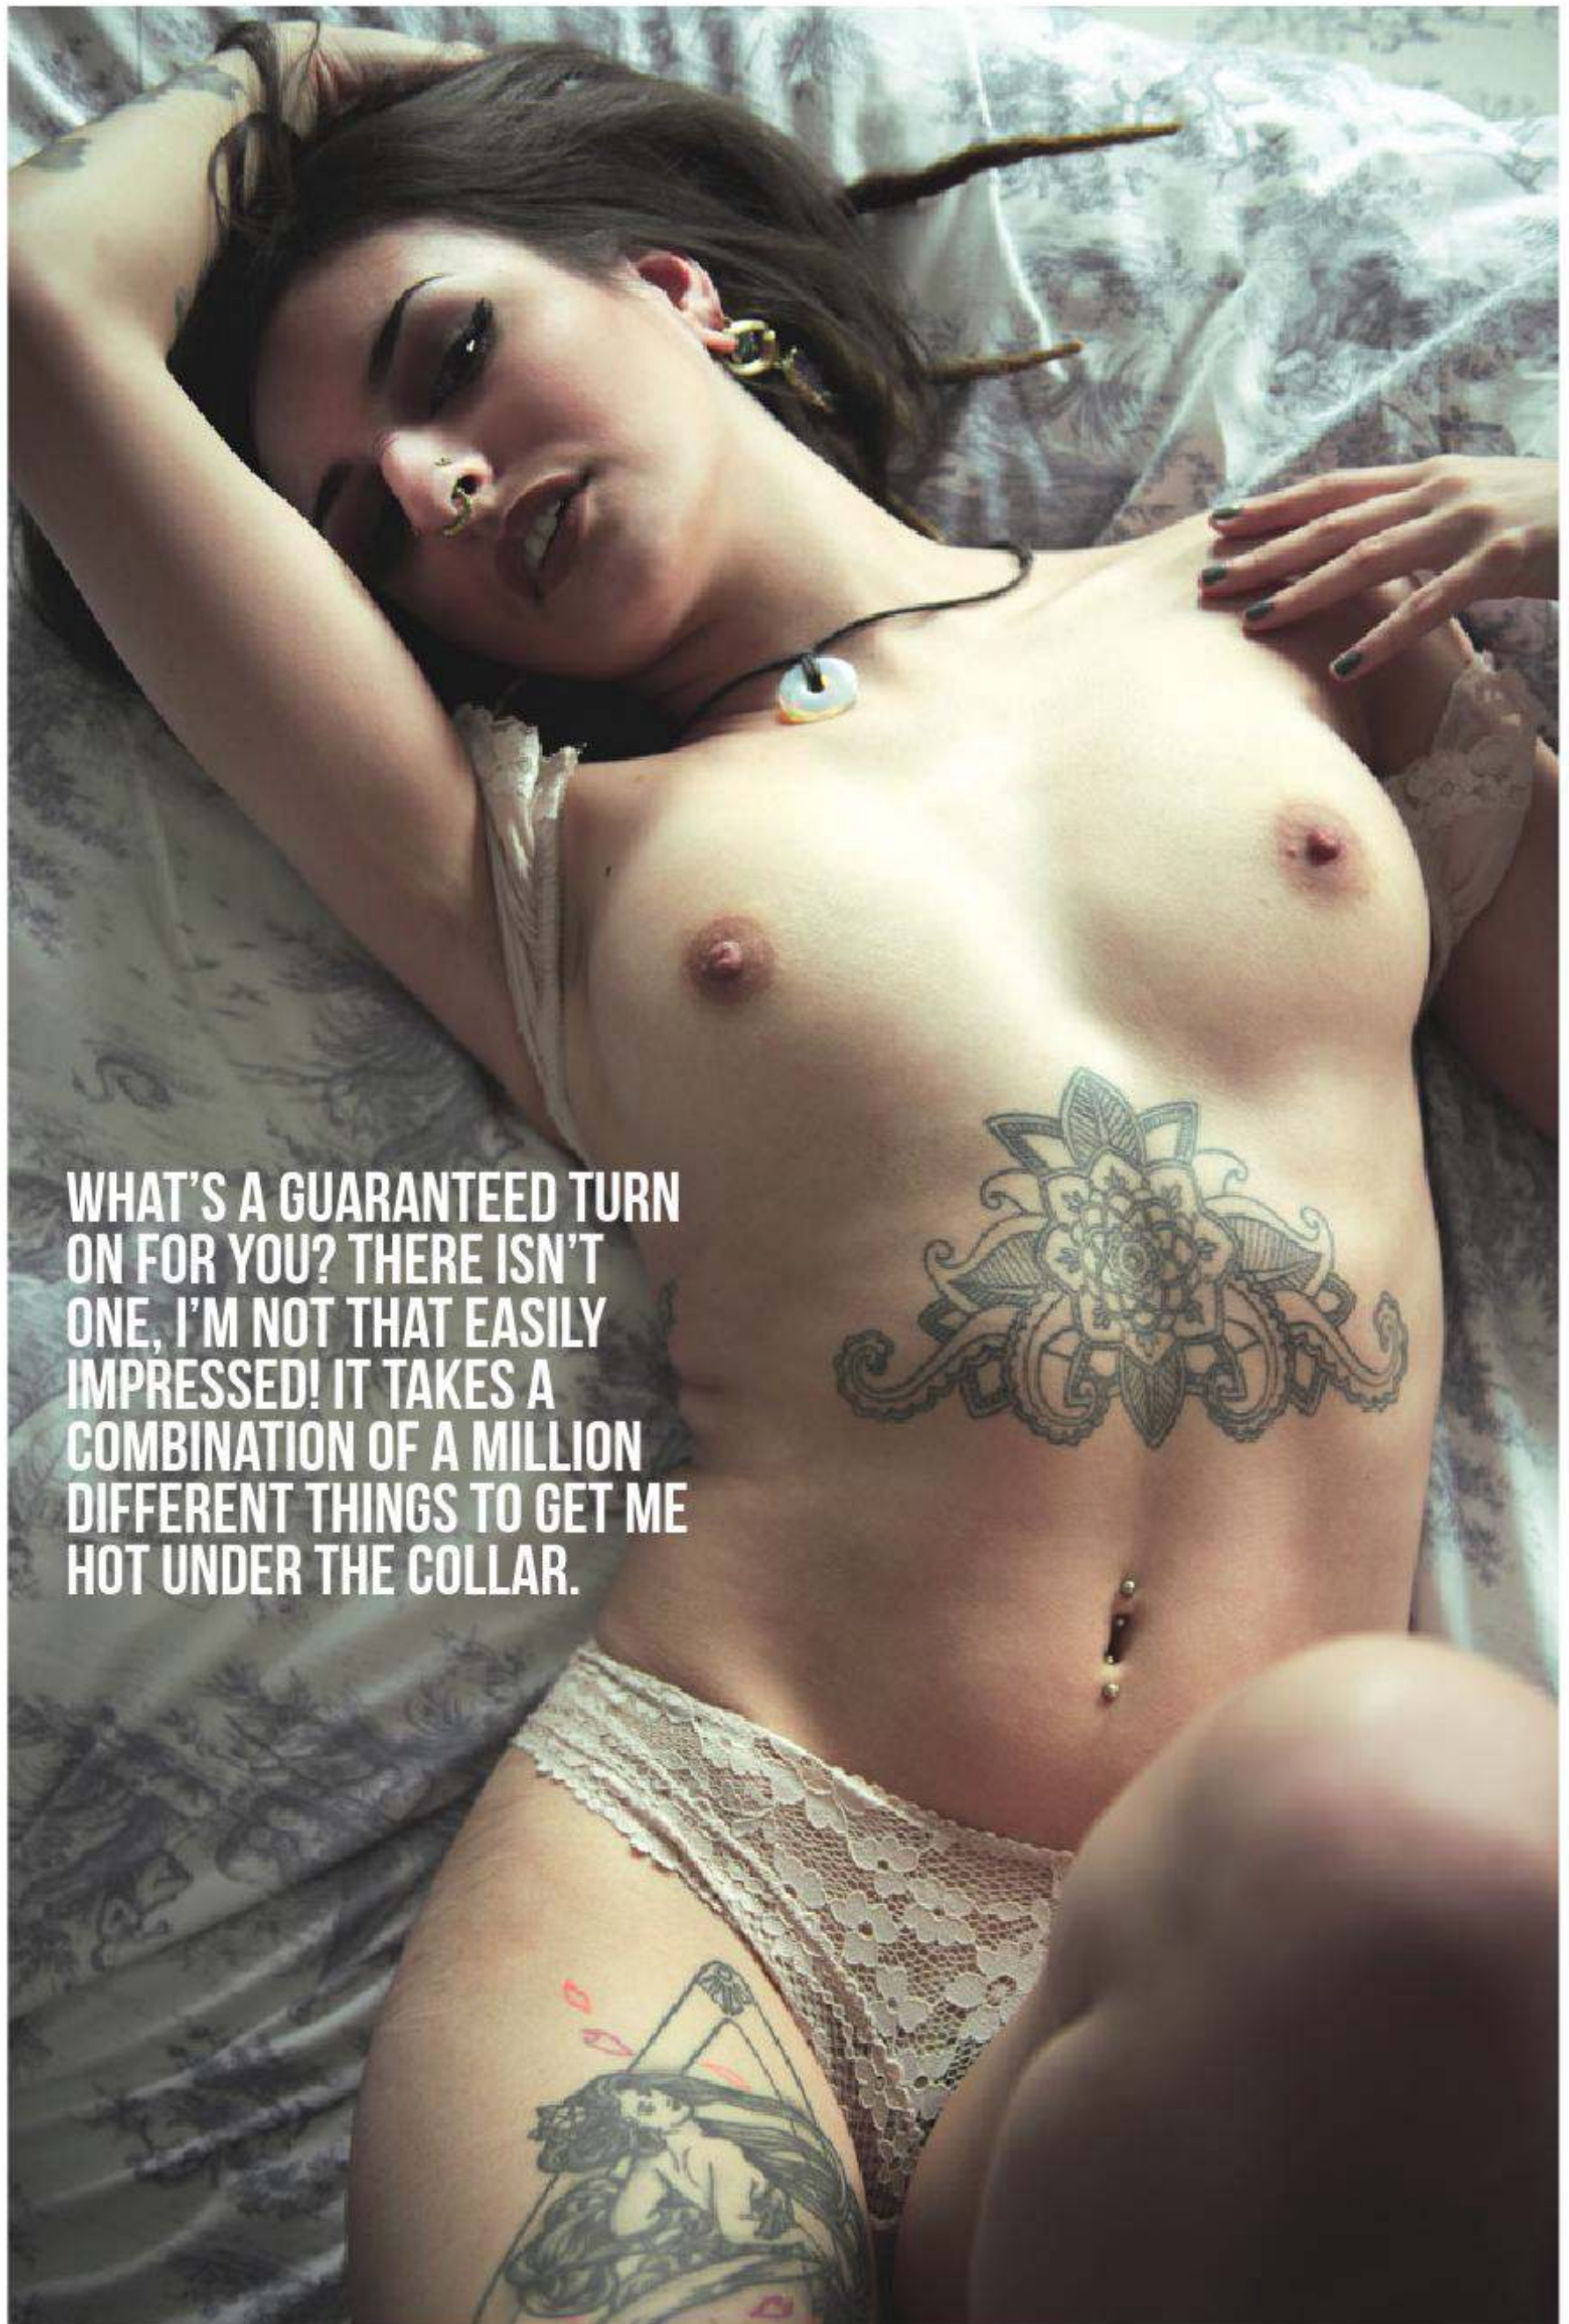

If you could be any animal, what would you be? I'm quite partial to the odd quail, but a giant anteater would be my first choice.

Describe your perfect photoshoot. Something unusual. Weird location, surreal props, and some degree of nudity.

If you could work with any photographer and any model who would it be with? If I ever get the opportunity to work with Vex for Four Chambers (if you haven't heard of them, look it up!) I will slip into a blissful coma and die happy.

What do you like most about Elite? It's a really cool team of people to be involved with.

WHAT'S A GUARANTEED TURN
ON FOR YOU? THERE ISN'T
ONE, I'M NOT THAT EASILY
IMPRESSED! IT TAKES A
COMBINATION OF A MILLION
DIFFERENT THINGS TO GET ME
HOT UNDER THE COLLAR.

Photographer: Chris Beasley

TEAM RED LINZIE AND AMBER

Photographer: Tripodski

Hi Linzie, welcome to Elite! How did you enjoy the shoot? Hey guys! Thanks very much for having me back, awesome to be here as per! Oh I loved it, working with you guys is always a blast, and this time I had two hilarious fiery redheads to vibe with - it's a wonder that we got any shooting done, we all had such a giggle!

What was it like to work with Tripodski on this shoot? I love shooting with him, he's definitely one of my favourite people to work with!

What was it like to work with Amber? Brilliant! Me and Amber had met before and get on very well, meeting Team Elite again was just the cherry on top. We've all stayed in touch and are all really supportive of each other. She's just a great model and I learn a lot from working with her.

**WHAT IS THE
NAUGHTIEST THING
YOU'VE DONE?
SEVERAL THINGS
COME TO MIND ELITE,
BUT IF I TOLD YOU, I'D
HAVE TO KILL YOU!**

What's Amber's best feature? Amber is just gorgeous, so this is a difficult question! Ambers boobs... I always get the urge to motorboat her every time I get near them!

Outside of modelling, do you have any other passions? I have so many passions! Sometimes I wish I could split myself into 5 so I could pursue all of them. I teach Musical Theatre and I'm a professionally trained performer; that's certainly my biggest passion! I spend the majority of my life singing, dancing and being silly!

So how can a guy impress you? Sense of humour is a big thing for me, and someone who isn't afraid to be silly and show me their true personality!

Who has been your favourite model of 2015 so far? Definitely the most difficult question so far; there are so many wonderful models out there at the moment, some of which I am lucky enough to call my friends. I think the model to watch this year is my girl Heather D-Vine! She's a fellow fire performer and has performed all over Europe, I think she's turning her attention more to modelling this year and she's really smashing it, I think she needs to become an official member of Team Elite with her own feature... Hint, hint, wink emoticon!

What's a guaranteed turn on for you? Intelligence is the biggest turn on for me ever, if someone is able to hold an intelligent conversation and seduce me with their mind, I'm sold! Also a strong jaw and a pair of tattooed muscular arms doesn't go amiss... I've just pretty much described my boyfriend to you there!

What's the worst idea you have ever had? When I was 18, I dyed my hair white peroxide blonde, and cut it like Justin Bieber. I had it that was for about three years and no-one told me I looked like a teenage boy... Never again!

Photographer: Tripodski

A photograph of three nude women with red hair posing on a bed with a blue blanket. The woman in the background is standing, looking at the camera, with her arms raised behind her head. She has a large floral tattoo on her left chest and a large, colorful tattoo on her right arm. The woman on the left is lying down, looking towards the camera. The woman in the foreground is lying down, looking at the camera, with her hands resting on her chest. She has a small tattoo on her right shoulder. The background is a plain white wall.

**WHAT'S YOUR
BEST FEATURE?
I'VE BEEN TOLD MY
BEST FEATURES ARE
MY ASS AND MY EYES,
SO YEAH I THINK THE
BOOTY HAS TO WIN!**

LINZIE

FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? I HOPE YOU ALL ENJOY OUR FEATURE, I CAN ASSURE YOU THAT WE HAD A SCREAM SHOOTING IT! STAY TRUE TO YOURSELVES, STAY WEIRD, AND GO TEAM ELITE!

LINZIE

Photographer: Tripodski

A full-page photograph of two women posing on a white staircase. The woman on the left has long, wavy red hair and is wearing a black lace bra and high black boots. She is leaning back against the woman on the right. The woman on the right has long, wavy brown hair and is wearing a black strappy halter top and black underwear. She has a colorful tattoo of a doll on her left thigh. Both women are looking at the camera.

**WHO HAS BEEN YOUR
FAVOURITE MODEL OF
2015 SO FAR? I LOVE
VANESSA LAKE, I COULD
JUST STARE AT HER ALL
DAY, SHE'S SUCH A FOX.**

AMBER

Hi Amber, welcome to Elite! How did you enjoy the shoot? Hey! I loved it, what's not to love about getting naked with two beautiful redheads? We had a blast!

What was it like to work with Tripodski on this shoot? This is the second time I've worked with Tripodski after my shoot with Elite last June, He's a lovely guy and takes fantastic pics.

What was it like to work with Linzie? Linzie is just a mega babes so it was great, we were both as crazy as each other so we were on the same wavelength haha!

What's Linzie's best feature? Linzie has the best butt in the business. She is the God of all butts and it should be worshipped worldwide!

What's your best feature? I get compliments on my bum and boobs a lot, but personally I really like my teeth! I'm proud of them as I've never had a filling and I brush them about 4 times a day! Slightly OCD.

What was the funniest thing to happen at the shoot? Oh my God! At one point all three of us were on the bed and it collapsed! Like properly broke, the wooden frame and everything! We were just laid in a naked pile.

Outside of modelling, do you have any other passions? Burlesque dancing and Vintage Hair styling, they are my other jobs when I'm not modelling so I try to split my time between the three.

So how can a guy impress you? I think a guy trying to impress me would be a turn off, I don't like a try hard. The way to my heart is to be hilarious and not take yourself too seriously at all.

What is the naughtiest thing you've done? I think having a bath with two hot naked chicks is pretty high up there on the list!

What's a guaranteed turn on for you? I love guys with drive and ambition. There's something really sexy about a man with brains and motivation! I guess maybe it's the whole power thing that gets me.

Beards - Yes or No? I personally do like a bit of facial hair, stubble and small beards are sexy. Really sorry fellas but I'm not into full on facial bush! It just hides a beautiful face.

What's the worst idea you have ever had? I once thought it would be a good idea to move to Australia, I'm pretty spontaneous and once I get an idea in my head I can't stop myself. I hated it and came home after three months!

Finally, is there anything you would like to say to the Elite readers? I'm a really busy bee over these next few months, you can catch me modelling at Sexhibition and London Edge. I'll also be launching my own website next month www.tasselandtease.co.uk xxx

Photographer: Tripodski

**ORIGINAL PLAYER 1
CROP TOP £25.00**

Hey Lana! Welcome to Elite, tell us a bit about yourself: I'm a girl and I have boobs and stuff. I work as a model booker at Girl Management, so actually my whole life is boobs. Booby booby boobs. BOOBS. It's a hard life.

What was it like to work with Tripodski on this shoot? I was quite upset as he didn't bring a tripod but other than that it was epic. He just kind of let me roll around the room and jump on tables. I like to do stupid things on shoots so that's always a bonus!

What was your favourite part of the shoot? I enjoyed playing with the styling! There was an amazing hat but it wouldn't fit my head so I put it over my va jay jay instead. As you do.

**WHAT'S YOUR FAVOURITE ITEM
OF CLOTHING? CONVERSE. I
LIVE IN THEM. THEY PROBABLY
DON'T SMELL THE BEST.**

**PLAYER 1 GOT GAME
PANTS £12.00**

WHAT'S IT LIKE TO BE ON THE COVER OF ELITE? IT'S ABOUT BLOODY TIME!

What's your favourite part of your body and why? I like my eyebrows because they are browy and over my eyes. They do exactly what it says on the tin! I used to like my forehead but I found a line there so now it's been demoted.

Why modelling? It just kind of happened officer! When I started I always wanted to get published and I realised the only way that was going to happen was through getting my boobs out. So here I am (you lucky sods).

What's your favourite song currently? Jeremiah Ferrari - Dubby Rock. It's a good time, check them out.

**ORIGINAL PLAYER 1
CROP TOP £25.00**

**WHAT DO YOU LIKE
MOST ABOUT ELITE?**
THE GIRLS ARE ALL
BANG TIDY AND
THERE'S LOTS OF
NATURAL BOOBS.

WHAT'S A GUARANTEED TURN ON FOR YOU? THERE'S NOT A SPECIFIC FORMULA, I JUST NEED TO HAVE CHEMISTRY WITH SOMEONE. A TATTOO AND MUSCLE OR TWELVE DOESN'T GO A MISS EITHER OBVIOUSLY.

Photographer: Tripodski

Describe your perfect photoshoot. I like a challenge! My favourite shoots so far involved hanging off the side of a boat in the middle of an ocean and in a cave at sunrise. The pressure makes it harder to get a killer shot but the results are always worth it!

If you could be any animal, what would you be? I would be a badger. My best friend and I made up a song and dance routine about badgers once when we were drunk. Don't ask me why. It just kind of stuck. Badger high five!

If you could work with any photographer and any model who would it be with? Damien Morley is my main man, and I get to shoot with him all da time. I would love to shoot with my buddy Beth Lily but her boobs are bigger than my head so mine would look like fried eggs in comparison.

Finally, is there anything you would like to say to the Elite Readers? My name backwards is anal. There's some food for thought!

Stephanie Lovie

Supergirl makes her Elite Debut

Photographer: ATOM CREATIVE

Hey Stephanie! Welcome to Elite, tell us a bit about yourself: Hi guys.. I'm a dental nurse and I'm originally from Edinburgh.

What was it like to work with Elite? Fun fun fun.. And more fun!

What was your favourite part of the shoot? It has to be dancing away to Britney Spears and Backstreet Boys.

What's your favourite part of your body and why? My boobs, but I do love my back! Hmm.. Tricky!

Why modelling? It's fun! I love coming up with ideas for shoots and collaborating with photographers. Love having my hair and make up done too.. What girl doesn't!

**WHAT'S YOUR
FAVOURITE ITEM
OF CLOTHING? MY
SUPERMAN TOP... I
LOVE ANYTHING TO DO
WITH SUPERHEROES!**

How did you come to become a model?

I've done it since a very early age and I've always loved being in front of the camera. Since growing up I've done catwalk, pageants and television work :)

What's your favourite song currently?

Oh I think that I found myself a cheerleader.. I can't get it out my head. I sing it all day every day! It's very catchy and annoying ha!

If you could be any animal, what would you be? Erm.. An elephant! Why? I have absolutely no idea!

What's a guaranteed turn on for you?

Tattoos and beards... Oh and nice white teeth.

Describe your perfect photoshoot.

Easy.. Laid back, fun, old tunes so I can dance away, sweets and pop!

What do you like most about Elite?

Lots of tats and lots of girls and lots of boobs! What's not to like.

Photographer: ATOM CREATIVE

A blonde woman with long hair and blue eyes is posing for a photograph. She is wearing a grey crop top and blue denim shorts. She has a tattoo on her left hip and is wearing a ring on her left hand. She is looking directly at the camera with a slight smile.

Electra

Simply Gorgeous!

Photographer: Tripodski

Hi Electra, welcome to Elite! What have you been up to? Hey thank you! I've been up to all sorts. I've been to Monaco to see the Grand Prix, St. Tropez, Las Vegas and Switzerland lately!

What was it like to work with Tripodski on this shoot? It was fantastic to work with Tripodski on the shoot, he was friendly and made me feel comfortable.

Who are the models you look up to? I love Kendra Wilkinson, Pamela Anderson and Marliyn Monroe.

Outside of modelling, do you have any other passions? I love to travel and go to new places.

If you could be a superhero, who would you be and why? I would be someone who can go invisible! I don't really know the names many superheroes.

Where's the worst place you've been? I haven't actually disliked anywhere I've been that much, so I couldn't say where my worst place is!

Do you have any crazy phobias? I am absolutely petrified of spiders and I don't like fish either.

Photographer: Tripodski

IF YOU COULD BE ONE PERSON FOR THE DAY, WHO WOULD YOU BE AND WHY? IT WOULD BE ALEX TURNER, EVERYONE HAS ALWAYS WONDERED WHAT ITS LIKE TO BE THE OPPOSITE SEX. I MIGHT AS WELL BE SOMEONE COOL FOR THE DAY.

What's your favourite film? I don't have a favourite film although I like Will Smith and Martin Lawrence, so Bad Boys could be up there!

So how can a guy impress you? If a guy is a gentleman and carries my bags, holds the door open for me and can make me laugh he will definitely get a second date.

What is the naughtiest thing you do?
Now that would be telling!

What's a guaranteed turn on for you?
Neck kissing is a turn on for me.

What's your favourite fancy dress outfit?
Secretary is my favourite dress up outfit.

Lady Lauren

Photographer: Jack Russell

Not always such a lady...

Hey Lauren! Welcome to Elite, tell us a bit about yourself: Hey, I'm Lauren, I'm a part time model and I have a three year old son. I also do poi in my spare time and I'm starting to practice staff now, which is fun!

What was it like to work with Jack on this shoot? I've worked with Jack a few times now and it is always a pleasure!

What was your favourite part of the shoot? I liked the whole shoot! Jack makes me feel very confident when I'm shooting with him.

What's your favourite part of your body and why? My eyes I'm not sure why. I'm not actually that body confident but I do like my eyes!

What's your favourite item of clothing? I'm a harem pants kinda girl if I'm honest.

Why modelling? People started to ask me to have photoshoot with them and it went from there!

What's your favourite song currently? I'm not sure, I listen to loads of different genres of music so whatever I fancy at the time.

If you could be any animal, what would you be? Naked mole rat.

Describe your perfect photoshoot. I like fun relaxed shoots with a bit of alcohol haha.

If you could work with any photographer and any model who would it be with? I'm not sure, I have worked with everyone I like in the UK. Christian Saint has pretty rad work... but being a single mum I find it hard to make the time to shoot abroad.

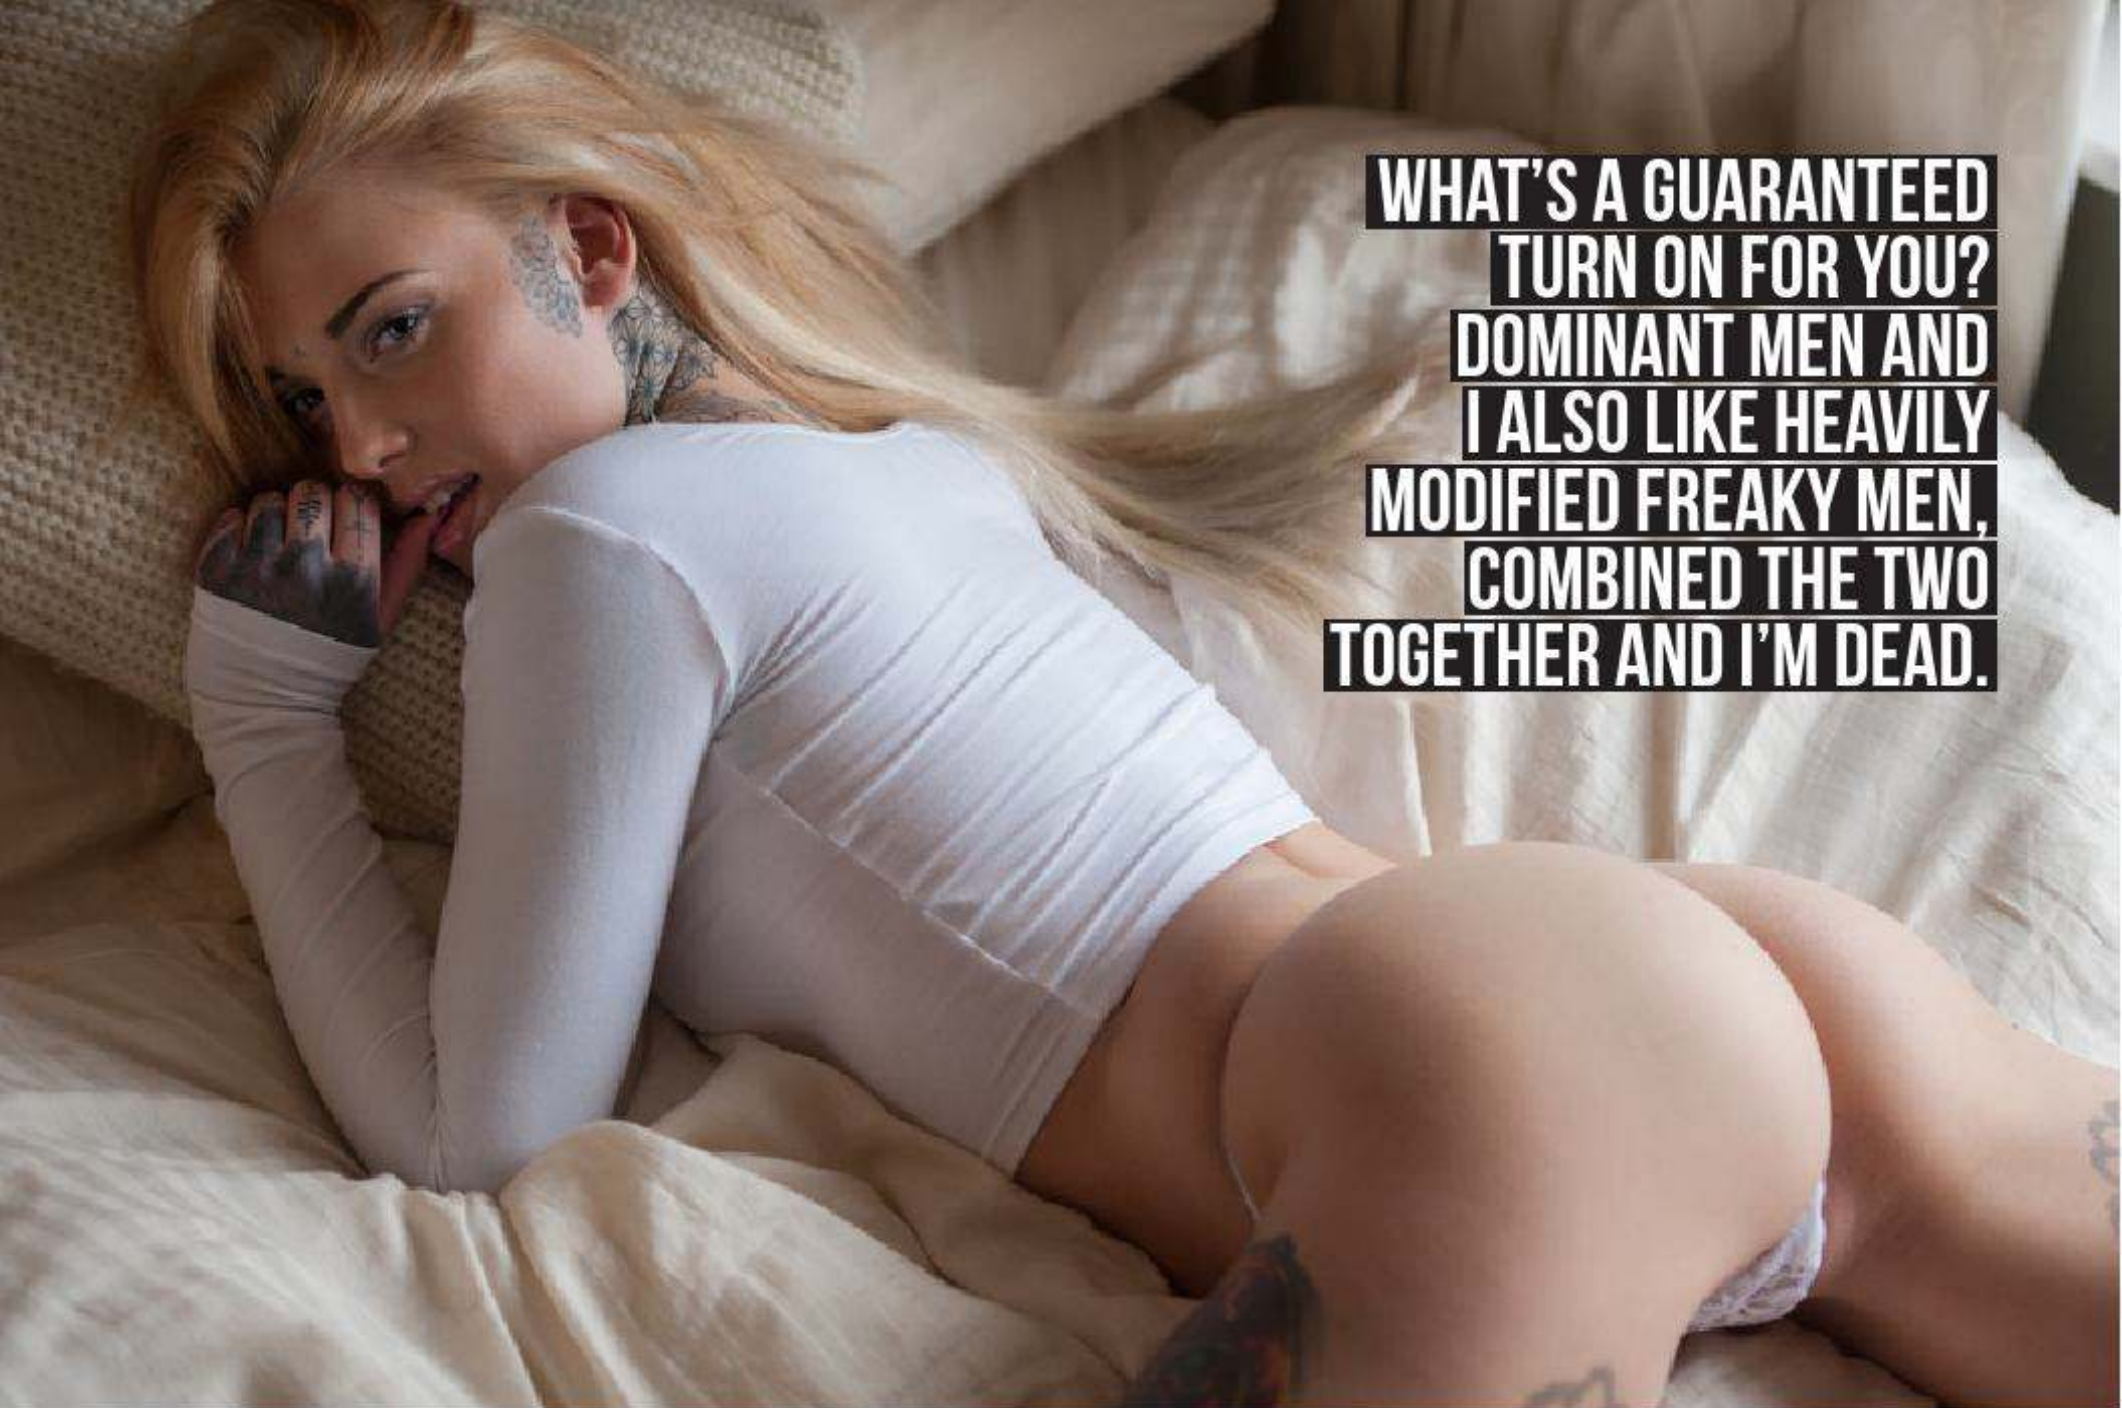

What do you like most about Elite? It's fun and cheeky!

Red Hot **Elyse**

Photographer: ATOM CREATIVE

Hey Elyse! Welcome to Elite, tell us a bit about yourself: I'm a Graphic Design apprentice and I've lived in Sunderland my whole life (unfortunately). I love cats, tattoos (I only have 4 so far but hopefully will get loads more in the future) and Marvel films.

What was it like to work with Elite on this shoot? I've never really done any proper modelling before so it was definitely a bit scary at first but it turned out to be so fun! I loved it!

What's your favourite part of your body and why? Can I say hair? Does that count as a body part? Red is my favourite colour so my hair is my pride and joy.

What's your favourite item of clothing? Socks. I feel like that's a weird answer but I hate not wearing socks. Crop tops are a close second.

Why modelling? I got asked to do it and thought why not.

**IF YOU COULD BE
ANY ANIMAL, WHAT
WOULD YOU BE?
DEFINITELY A CAT.
THEY HAVE SUCH
AN EASY LIFE.**

What's your favourite song currently? David Zowie - House Every Weekend is a tune and a half.

What's a guaranteed turn on for you? Netflix and chill, obviously.

Describe your perfect photoshoot. I haven't done many photoshoots but if there were cats there that'd be great.

If you could work with any photographer and any model who would it be with? I don't know about photographers but I think Cara Delevigne would be a right laugh to work with and she is a mega babe. Probably being a bit ambitious though. Cara if you're reading this I love you.

What do you like most about Elite? I love all the beauts you feature!

ASH BANDICOOT

Photographer: Tripodski

Hey Ash! Welcome to Elite, tell us a bit about yourself: I'm a feisty midget with a big heart and bigger butt!

What was it like to work with Tripodski on this shoot? It was awesome! I had a right giggle with him and the team. It was so relaxed and most of all I felt very comfortable. I just loved it!

What was your favourite part of the shoot? My favourite part was meeting the team. I'm sure they'll agree we had a right laugh, even if they were just laughing at my special antics and shit chat haha. Thats me met some awesome friends for life! Oh and the 90s playlist in the background was quality!

What's your favourite item of clothing? My favourite item of clothing definitely has to be socks. Nobody likes cold tootsies!

Why modelling? Why not!? I like chilling in my pants and I like posing. Only makes sense.

How did you come to become a model? A few photographers got in touch with me over Facebook asking to shoot and I just thought fuck it and that's how it started.

What's a guaranteed turn on for you? Big lips. Mmm.

Describe your perfect photoshoot.
Pants, sexy birds, good chat, good tunes and maybe a couple of drinks just to be naughty!

If you could work with any photographer and any model who would it be with? Tripodski was the best I've worked with to date! I don't think anyone could beat his skills or chat! I also wanna work with Laika. She's smoking hot plus she's Scottish like me :) I reckon we could have a lot of fun.

BELLE

The Disney Villain Princess

Hey Belle! Welcome to Elite, tell us a bit about yourself: I'm a real life Disney Princess caught up in a Villain persona - just waiting to be rescued by that fairytale storyline!

What was it like to work with Elite on this shoot? As always, it was a pleasure! We shared lots of laughs, discussed current and future ideas and caught a sneaky peak at some of the items about to be released by my favourite brands!

What was your favourite part of the shoot? It was great to catch up with the Elite team and create some more images, a little outside of my comfort zone! Hopefully it's an area I can delve into more in the near future.

What's your favourite part of your body and why? It will always be my eyes. The right look from a pair of expressive eyes has the power to make you tremble with excitement or shake with fear.

What's your favourite item of clothing? My must-have piece is my custom made Valkyrie Corsets underbust! It enhances my curves beautifully and allows me to show off my hourglass figure to the extreme!

Why modelling? I get a thrill from getting lost in the character or story I'm portraying. It's one step closer to acting out a fantasy...

How did you come to become a model?

Modelling was the only thing I remember receiving any recurring encouragement to take up from those close to me when I was young. As a girl who spent the entirety of her teen years being bullied, based on looks and style, it's touching to be a part of something where my individuality and 'imperfections' are celebrated - rather than persecuted.

What's your favourite song currently?

It's currently Fever Ray's 'The Wolf'. I've recently taken up pole fitness and it's a beautiful song to lose myself to whilst dancing.

CREEP STREET SATAN IS
WAITING TANK TOP

If you could be any animal, what would you be? I've recently experienced a reccuring dream in which I am part wolf and I think I would love that.

What's a guaranteed turn on for you? Mystery and adventure. The thought of being swept up in a physcal whirlwind of emotion is exhillerating.

Describe your perfect photoshoot. Any theme that would involve me transforming into a Demon or Alien lifeform would entice me there in a heartbeat! Add some latex and lace and you've got the perfect set up!

If you could work with any photographer and any model who would it be with? I would leap on the opportunity to collaborate with Jamie Mahon again! He is an incredibly talented artist with a keen eye for gothic beauty. I'm also determined to work with one of my biggest girl crushes Abi Rose one day!

Finally, is there anything you would like to say to the Elite Readers? Thank you for reading my interview and hope to be back soon!
